

SCHOOL *of* DATA SCIENCE

October 22, 2021

Thomas Lever
408 Mobile Ln
Charlottesville, VA 22903-4115

Dear Thomas,

It is our great pleasure to offer you admission to the Online M.S. in Data Science (MSDS) program at the University of Virginia (UVA) School of Data Science, starting in Spring 2022. You have risen to the top of a competitive field of applicants. Having carefully examined your work and achievements, our industry-expert faculty are enthusiastic about the prospect of you joining our intellectual community.

For any questions regarding this offer of admission for the Online MSDS program, please reach out to Bryan Christ (brc4cb@virginia.edu), Assistant Director of Graduate Admissions. We will also be in touch about other opportunities for you to learn more about what your life will be like in the Online MSDS program, including meeting with a current Student Ambassador and attending our Admitted Students Webinar.

Once you have made your decision to accept or decline our offer, we request that you record your decision through the [online application system](#). If you choose to accept, a non-refundable tuition deposit in the amount of \$400 (USD) will be required. Your student account will be credited for the first term of tuition and fees. You must complete both of these steps to confirm your intent to enroll and secure your position in the cohort. If you have not completed these steps within one week from the date of this letter, this offer of admission may be withdrawn.

We look forward to welcoming you to our vibrant online learning community and wish you success in your graduate studies at the UVA School of Data Science.

Cordially,
